

LA SANITATION & ENVIRONMENT ROADSHOW

JOIN US FOR A **Project Tour in CD10** Saturday, October 6, 2018 – 8am - 12pm

LA Sanitation is going on the road! We're bringing our team to your neighborhood to show you our projects, talk about the services available to you, and hear your concerns. We're hosting a bus tour in each Council District as well as six community engagement meetings across the City. We look forward to meeting you in your neighborhood!

Our bus tours are designed for you to learn more about air treatment facilities, water reclamation plants, SAFE Centers, educational facilities, re-purposed landfills, stormwater projects, and more. For safety purposes, all participants must be age 10 or older. Flat, closed toe shoes required. Space is limited, so please RSVP in advance.
